Quiz
Accessing the Quiz

- Log in to your account on the Awn platform
- Select the course that includes the test from your list of registered courses
- From the course page, look for the test name provided by the instructor
- Click on the test name to start preparing for the test

- Before starting the test, make sure you carefully read the instructions, which may include details on the test start and end times and the number of attempts allowed
- Click **Attempt quiz** to begin the test, and the questions will appear
  Note: If the test is divided across multiple pages, use the navigation buttons to move between pages
- After answering all the questions, review your answers, then click the **Finish Attempt** button

- Review your answers in the Attempt Summary and then click **Submit All and Finish**
  Note: You may be asked to confirm the submission

- Once the test is complete, you may be able to view feedback or scores according to the instructor's settings

SUBMIT ALL YOUR ANSWERS AND FINISH?

Once you submit your answers, you won't be able to change them.
